COMMUNITY CLEAN UP

**FRIDAY, MAY 24, 2019 (Tomorrow)
SATURDAY MAY 25, 2019**

Have your items to be taken to the dump at the end of your driveway for pick up on the above dates.

If they are not at the END OF YOUR DRIVEWAY they will not be picked up.

ABSOLUTELY NO FRIDGES, NO FREEZERS OR NO HOUSEHOLD GARBAGE!

ATTENTION TRAPPERS:

On **Tuesday, May 28th** from **9:00AM-3:30PM** at **Red Rock Indian Band Office**, Anishinabek Nation will be on site to complete Annual Trapper's Authority renewals to sell fur and address general questions related to trapping in Ontario.

Renewing your Trapper's Authority requires completed harvest report from previous year and \$10 fee for each line renewal for those under the age of 65 years.

RESTORATIVE JUSTICE

Looking for Volunteers who are willing to be on the Restorative Justice Committee for the Red Rock Indian Band to fill Potential Vacancies in the future.

- This is a Volunteer Position
- Must be 18 years of age or older
- Must pass a Criminal Record Check
- Must be willing to take a 3 Day Restorative Justice Facilitator Training Program
- Must be willing to attend Bi-Monthly Meetings with the Restorative Justice Committee

If interested, please contact Darlene P. Wawia at the Band Office (807) 887-2510

MOTIONS FROM MAY 2, 2019 GENERAL BAND MEETING

Motion #1

Motion that the Red Rock Indian Band leave the Anishinabek Nation and to direct INAC to reallocate all funding dollars to the Red Rock Band to administrate funds ourselves. Immediately.

Motion #2

Motion for the RRIB to purchase a septic pumper in order to be self sufficient in regard to pumping our own septic tanks on LHFN and possibility to attain contracts in the area. This will save money on out-sourcing and have the possibility to make money for the band from surrounding areas.

MOTIONS WILL BE VOTED ON AT THE NEXT GENERAL BAND MEETING OF JUNE 5, 2019.

COMMUNITY MEETING

As per the last band meeting, membership requested to have a special meeting to discuss the Chief and Council Honorariums.

Please come out and join us to discuss Chief and Council raise.

Wednesday, May 29, 2019

7 pm

Resource Centre.

Please try to attend, your input is needed.

OW AND ODSP PAYMENTS

OW and ODSP payments are ready for pickup on May 31st

Thank you, William Legarde, OW worker.

Heartfelt Condolences

*Chief, Council, Staff and Members of Red
Rock Indian Band would like to extend
their Deepest Sympathy to the family of
the late:*

Charles Hardy

*Please join Charlie's family for a
Celebration of Life on:*

Tuesday, May 28, 2019

Burial at St. Sylvester's Church

11:30 am

*Luncheon to follow at
Lake Helen Resource Centre*

*Words alone cannot express how deeply saddened
we are to hear of your loss.*

Lake Helen Burials

There are two lists at the band office:

1. Starts in 1885 and ends in 1999. A sample of the information is recorded like this:

Delaronde, Fred – 31 years Aug 1 1939 Charles Delaronde and Mary Wenagosh

2. Starts in 1852 and ends in 1992. The headings and an example of the way the information is presented is as follows:

Family Name	Given Names	Date Place Death	Date Place Blessing	Parents	Present at burial or blessing	Priest (Deacon)	Remarks
1. Delaronde	Thomas	Sept. 15 1939 Port Arthur ONT.	Sept. 1939 Port Arthur ONT.	DELARONDE Charles WENAGOSH Mary		Alex ROLLAND SJ	

If you are interested in looking through the information, please contact me.

Mary O'Donnell – Historical Research Assistant, RRIB

Construction Traffic Control Person (Multiple Positions Available)

Title: Construction Traffic Control Person

Reports To: Site Supervisor

Summary

The Construction Traffic Control Person will be responsible for assisting with the provision of safe and efficient traffic control on or around construction sites according to applicable safety standards and regulations. He or she will be tasked with using traffic control signals and signage and communicating effectively with other members of the traffic control team and work crew to reduce and/or eliminate the risks associated with vehicular traffic. This individual will maintain a calm, professional demeanor at all times. Other duties will be assigned as necessary.

Job Duties

- Control traffic passing near, in, and around work zones.
- Maintain focus while directing traffic.
- Read and understand site specific instructions prior to directing traffic.
- Review the work site on a daily basis and consult with Site Supervisor to understand work being conducted and any potential hazards.
- Review and understand the type of equipment that will be moving in and out of the worksite, and how this equipment will be moved.
- Review special worksite conditions governing road use (e.g. during rush-hour, etc.).
- Work from a location where you can see and be seen by all traffic.
- Identify escape routes in case a motorist disregards directions and places you or others at risk.
- Stop traffic as required by work progress or traffic flow.
- Communicate effectively with other Traffic Control Workers using established signals and or radio equipment to ensure the smooth flow of traffic and minimize confusion.
- Ensure functionality of all communications equipment prior to directing traffic.
- Be aware of emergency vehicles approaching the area, ensuring that they have priority over all other traffic and construction vehicles.
- Stand at all times when directing traffic.
- Direct motorists to drive at low speeds through the specified area(s).
- Adjust distances and traffic speed according to weather, road conditions, etc.
- Inform work crew of dangerous motorists as soon as possible.
- Report dangerous motorists to supervisor.

- Maintain pen and paper to document license plates of dangerous motorists.
- Ensure public traffic has priority over construction equipment.
- Comply with safety requirements, and wear all required and CSA approved safety equipment, such as reflective vests, reflective stripes and arm bands, hard hats, protective footwear while on the worksite.
- Ensure clean, visible and safe condition of all protective materials.
- Use appropriate traffic control signage in the approved manner.
- Provide motorists with clear, simple directions, answering questions in a brief, polite manner.
- Remove or cover all traffic control signage at end of day or whenever traffic control is temporarily or permanently suspended.
- Other duties as assigned.

Requirements

- Current Journey Person's Construction Laborer Certificate preferred.
- Knowledge of workplace safety and safe lifting and handling procedures.
- Knowledge of First Aid and CPR preferred.
- Ability to operate required equipment in a safe and responsible manner.
- Effective verbal and listening communications skills.
- Time management skills.
- Knowledge of appropriate materials, methods, and the tools required in various construction processes.
- Ability to readily determine the correct tools and equipment needed to do a job.
- Ability to work independently and complete daily activities according to work schedule.
- Ability to lift heavy objects, walk and stand for long periods of time and perform strenuous physical labor under adverse field conditions.

Work Conditions

- Regularly works near moving mechanical parts and in outside conditions that include inclement weather, heat and humidity, and exposure to dust and asphalt.
- Must be able to lift, push, pull or carry objects, use abdominal and lower back muscles to provide support over time without fatigue and to effectively jump, sprint or throw an object.
- Requires good manual dexterity (hand, hand with arm, two hands) and multi-limb coordination.
- Noise level is generally loud.
- Must be able to quickly move arms and legs.
- Excellent stamina is required.
- Required to work in the standing position for extended period.
- Hazards associated with the construction industry.

Did you know?

Nearly 10% or 150,000 of the 1.5 Million Seniors Living in Ontario Experience Elder Abuse

Did you know?

Financial abuse is the most prevalent type of abuse affecting 60,000 Canadian elders

Did you know?

Seniors are the least likely demographic to suffer violent crime, but they are the most at-risk of suffering violence at the hands of a family member

Did you answer no to any questions above?

We'll let's increase our level of awareness, learn to recognize the signs, how to report elder abuse, and to prevent elder abuse from occurring

Let's Talk!

Elder Abuse Awareness Tea and Talk

When: May 30th

Where: Lake Helen Resource Centre

Time: 1 pm - 3 pm

Attention

Red Rock Band Members

Gordon Waindubence

Will be coming to the community on July 19th, 2019 to come talk about Clan Naming & Teachings which will be held at the Lodge.

- The Creator placed Anishinabe on the Mother Earth.
- The Four Elements: Fire, Water, Earth, Wind. They were given to the Anishinabek to take care of.
- The 7-pointed star: represents the sacred gifts—the Seven Grandfather Teachings— which are the foundations that were given to us by the Creator. These are our laws.
- Sovereignty: the Creator gave us sovereignty to man, woman and child to look after ourselves and Mother Earth.
 - The Anishinabek also respect and honour the Past, Present, and the Future.
- The Big Circle: we are one family—this is our family; every one of us is in this circle. We all belong to a clan and we all have a responsibility. This is what our house looks like.

If any Band Member would like to sign up and take part, please call Lauren Michelle at the Band Office 807-887-2510

JK PREP PROGRAM

Helping Pre-School Aged Prepare For
School in the Fall

4 WEEK BUSING PROGRAM
STARTING MAY 9TH FROM 11AM-
1PM AT THE LAKE HELEN
COMMUNITY HALL

Every week the new students and their parents will be
taking a bus ride around town to introduce them to
school buses and school bus safety.

Week #1 Theme: Healthy School Snacks

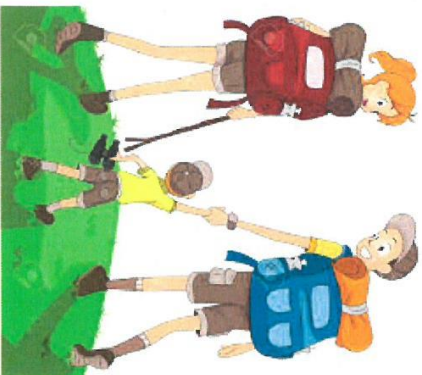

Week #2 Theme: Raising a Bully Free Family

Week #3 Theme: Stories and Crafts

Week #4 Theme: Graduation

Lunch will be served as well as giveaways for each
participant!

Family Hiking Group

Ever want to go exploring hiking trails, but not sure where some are, or feel more comfortable in larger groups?

Deana Renaud along with myself will be starting a Hiking/Walking group

every Monday, first one starting **Monday May 27 at 6pm** and will run till **June 24**.

We will be meeting at the Band Office at 6pm and drive out to different Hiking locations in our area. *Weather permitting*

Some of the Hiking trails may be difficult for some young children/Adults so you will be Hiking at your own risk.

- Must have own transportation, however I may be able to provide rides for a couple people.
- Must have good walking/hiking shoes
- Must have small backpack for carrying your drinks, snacks etc.

I will provide healthy snacks and drinks, but you may bring your own also.

For sign up, please call Jolene at 887.2510 before Monday May 27.

RRIB OPEN HIKING CLUB

Hello Hikers!

I am super excited to partner with the Red Rock Indian Band to provide an exciting new hiking club. A few important reminders.

- Hiking is RAIN OR SHINE please dress for the weather. Layering is an excellent idea for hiking. Have a water proof/rain jacket for wet days and layers underneath.
- BRING BUG SPRAY, its Northern Ontario, the bugs are OUT and HUNGRY.
- Proper footwear is essential. Hiking shoes/boots are best, but a good pair of runners and good socks will do. DO NOT WEAR OPEN TOE SHOES.
- A good rule is to bring 1L of water per 5 km of hiking. Stay hydrated!
- RRIB will be providing snacks, water and Gatorade. A small snack is a good idea. Trail mix, granola bar, cheese sticks, an apple. Replenishing energy will help prevent fatigue.
- Some of the hikes are great for kids, others are less so. Read the details of the hike before choosing to bring kids along, and be mindful of the distance. (know what your kids are capable of). CHILDREN are NOT TO ATTEND HIKES ALONE, a parent/guardian is required for anyone under the age of 18.
- Backpacks are a great idea so you are hands free.
- Bring your camera/phone for pictures. I have selected some of the most beautiful hikes in our region. Be prepared for breath taking views.
- We will be car pooling out to trail heads!

May 27, 2019

Go Mar Falls: Orient Bay. 2.5 km round trip, out and back. Moderate hike, waterfall view. If there is time, we can check out Pijitawabik Palisades Falls too! 36km from Resource Centre to trail head. This is a good hike for kids. It is not far, no dangerous cliffs. A portion of the trail is CLOSE to the river. Be mindful along these sections.

June 3, 2019

Red Rock Mountain: Red Rock 4.6 km round trip, out and back. Moderate hike. Beautiful Lake Superior view. Switch back trail, lots of up-hill, but great for kids. Safe trail, safe lookout. 20 km drive from Resource Centre to trail head.

June 10, 2019

Kama Falls: Camp 81 Road, highway 17. Out and back 1.3 km OR Loop trail 3.2 km. An epic river hike and view of a classic waterfall in the Nipigon area. Good for kids. There are two sections that require a rope assisted climb. It is a steep 500 m climb to the falls. 20km drive from the Resource Centre.

June 17, 2019

Ruby Lake Lookout: Ruby Lake Provincial Park Highway 17. Approx 5 km round trip. Moderate hike. Amazing cliff edge lookout view of Lake Superior. 8 km drive from Resource Centre to trail head. This whole hike is great for kids. The only danger is the lookout itself. IT IS BARE CLIFF EDGE and dangerous!

June 24, 2019

Deer Lake Mountain John Ahl Lookout Nipigon Ontario. Approx 5 km round trip. Moderate Hike. It is a bit challenging, kids to have a good level of fitness. Safe trail. The lookout has cliff edge and is not gated.

COMPREHENSIVE COMMUNITY PLANNING

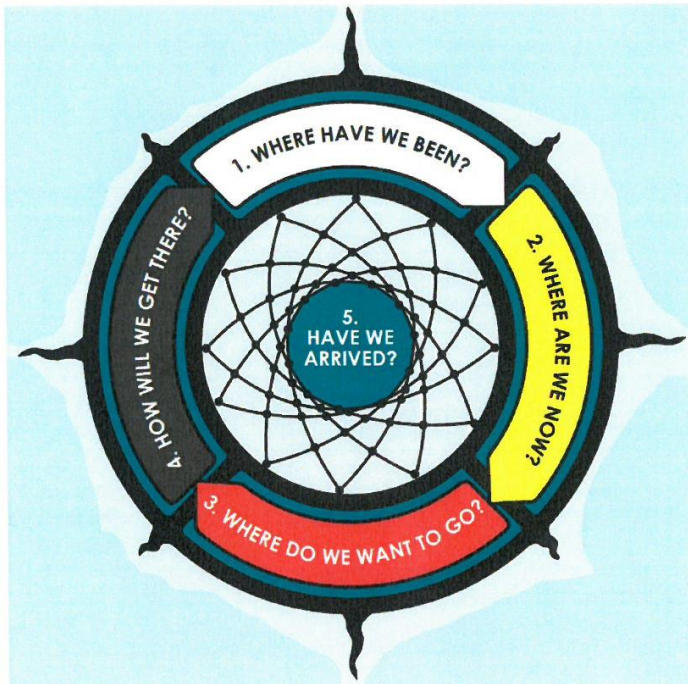

Comprehensive Community Plans take a holistic look at the community. This includes (but is not limited to) things like good health; housing, land stewardship; a thriving culture; a strong local economy and jobs; a clean environment; and a transparent, responsive and open Chief and Council. CCPs absolutely must be created by the community and for the community, so a big focus of the work is on including members in every stage of the process.

CCP's establish a community vision and objectives that guide all other planning and decision making (e.g. Treaty implementation, development of an Economic Development Plan or Housing Plan). CCP's include community values and provide a roadmap for the community's future. CCPs also include action plans for how the community can work towards its vision. As your community grows and changes, a CCP can grow and change with it.

WHY IS A CCP IMPORTANT?

A CCP helps to:

- identify and address community priorities.
- address community needs and issues.
- "take stock" of the community's strengths, assets and resiliencies.
- build community capacity and skills.
- allow communities to be responsive to funding opportunities (which often have very tight timelines to apply).
- make things happen. It coordinates efforts and creates connections and partnerships (gives you a roadmap)
- get past the talking (everyone is paddling in the same direction, deadlines, commitment).
- keep track of what you are doing and if it is making a difference.

I am looking to build a CCP Advisory Committee that includes a broad and appropriate representation such as elders, youth, councilors, key staff, on and off reserve members, etc.

The Committee is an advisory committee tasked with providing recommendations for the planning process and planning decisions.

If any RRIB members would like to join the CCP Advisory Committee, please contact Melissa McDonald, Energy Initiatives Officer.

Walk-in appointments will be accepted upon availability

Community Volunteer Income Tax Program (CVITP)

The CVITP is a collaboration between community organizations and the Canada Revenue Agency (CRA).

Community organizations host FREE tax preparation clinics and arrange for volunteers to prepare returns for individuals with a modest income and a simple tax situation. The CRA provides coordinators to guide the organizations as they deliver the program and offers training and tax software for the volunteers.

The CVITP helps people meet their tax obligations and receive any benefits to which they are entitled. Benefits are calculated based on the information a taxpayer provides on their return. Even if the taxpayer has no income to report, they should file a return to continue receiving payments, such as;

- GST/HST credit
- Guaranteed income supplement (GIS)
- Working income tax benefit (WITB)
- Canada child tax benefit (CCTB) (if the taxpayer has a spouse or common-law partner, they also have to file a return every year)
- Provincial or territorial credits and benefits

The CVITP volunteers **cannot** prepare returns for individuals who:

- have self-employment income
- have business or rental income and expenses
- have capital gains or losses
- have employment expenses
- file for bankruptcy
- are deceased in the year

The Red Rock Indian Band will be hosting a CVITP clinic **beginning April 3, 2017.**

The Free CVITP clinic hours are:

12 noon to 1pm and 4 – 6 pm, Monday to Friday

Tax Returns can be sent by EFile to Canada Revenue Agency

Please call the band office for an appointment at 887-2510

The clinic is open to Red Rock Indian Band members and Lake Helen community members.
