Subject / Sujet: Food Recall Warning - Brandt brand Extra Lean Kolbassa Sausage recalled due to Listeria

Good Morning,

Please visit the Canadian Food Inspection Agency Website to see details regarding the following food recall. For your information ONLY.

Ottawa, September 26, 2019 - G. Brandt Meat Packers Ltd. is recalling Brandt brand Extra Lean Kolbassa Sausage from the marketplace due to possible *Listeria monocytogenes* contamination. Consumers should not consume the recalled product described below.

Brand Name	Common Name	Size	UPC	Code(s) on Product
Brandt	Extra Lean Kolbassa Sausage	250 g	7 73321 47480 4	BEST BEFORE 19OC19

If you think you became sick from consuming a recalled product, call your doctor. Check to see if you have recalled products in your home. Recalled products should be thrown out or returned to the store where they were purchased. Food contaminated with *Listeria monocytogenes* may not look or smell spoiled but can still make you sick. Symptoms can include vomiting, nausea, persistent fever, muscle aches, severe headache and neck stiffness. Pregnant women, the elderly and people with weakened

immune systems are particularly at risk. Although infected pregnant women may experience only mild, flu-like symptoms, the infection can lead to premature delivery, infection of the newborn or even stillbirth. In severe cases of illness, people may die.

Subject / Sujet: Food Recall Warning - President's Choice brand Lower Iron Infant Formula recalled due to *Cronobacter* spp.

Good Morning,

Please visit the Canadian Food Inspection Agency Website to see details regarding the following food recall. For your information ONLY.

Ottawa, October 6, 2019 - Loblaw Companies Limited is recalling President's Choice brand Lower Iron milk-based powdered infant formula from the marketplace due to possible *Cronobacter* spp. contamination. Consumers should not consume the recalled product described below.

Brand Name	Common Name	Size	UPC	Code(s) on Product
President's Choice	Lower Iron milk-based powdered infant formula	900 g	0 60383 69839 3	EXP 2021 AU 29

If you think you became sick from consuming a recalled product, call your doctor. Check to see if you have the recalled product in your home. Recalled products should be thrown out or returned to the store where they were purchased. Food contaminated with *Cronobacter* may not look or smell spoiled but can still make you sick. Although *Cronobacter* is not commonly linked to human illness, in rare cases it can cause serious or fatal infections. *Cronobacter* can cause rare bloodstream and central nervous system infections and has been associated with severe intestinal infection (necrotizing

enterocolitis) and blood poisoning (sepsis), especially in newborns.
