## **ESCAPE ROAD/PIT ACCESS ROAD**

Please be advised that effective June 24, 2019 the escape road/pit road will be closed during construction.

The Band will be processing/crushing aggregate in that area for the next few weeks. There will be many pieces of heavy equipment operating in the area and for the safety of persons we are asking residents to avoid this area.

Of concern are the individuals that may be riding quads or motorbikes to please avoid riding in this area. The hours of construction will be from 7:00 am to 8:00 pm, Monday to Friday. Please note that this construction will be noisy and there will be an increased amount of dust.

For persons that must access this yard please use the highway entrance and exercise caution while in the construction area.

Thank you for your patience.

For more information please contact Hoss Pelletier at the band office. Thanks for your participation

## **CERTIFICATION OF EXEMPTION**

As of January 1, 2020, First Nation individuals, bands, Tribal Councils and band-empowered entities will no longer require the Certificate of Exemption (Ontario Gas Card) as proof of entitlement to purchase tax-exempt gasoline from authorized, on-reserve retailers. In place of the Ontario Gas Card, First Nation individuals will now use their Certificate of Indian Status (CIS) or Secure Certificate of Indian Status (SCIS) as proof of entitlement for the tax exemption.

A temporary Confirmation of Registration Document, (an official document issued by the Federal Government) can also be used if an individual has applied for and is waiting to receive a SCIS. Bands, Tribal Councils and band-empowered entities will use a certificate which will be issued by the Ministry of Finance beginning in fall 2019.

The Ministry of Finance will also be in contact with retailers, bands, Tribal Councils and band-empowered entities in fall 2019, in advance of and to prepare for the January 1, 2020 discontinuation of the Ontario Gas Card.

Further information about the Ontario Gas Card Program is available online at

<https://www.fin.gov.on.ca/en/refund/gascard/index.html>.

If you have any questions concerning your status card please call me at 807-887-2510 ext.234 or email me at

# Grief & Loss Support Group

*June 25<sup>th</sup> from 6 - 8:30 pm at the Chalet*

Grief is a natural response to loss. It's the emotional suffering you feel when something or someone you love is taken away. The more significant the loss, the more intense your grief will be. You may associate grieving with the death of a loved one—which is often the cause of the most intense type of grief—but any loss can cause grief, including:

- Divorce or relationship breakup
- Loss of health
- Losing a job
- Loss of financial stability
- A miscarriage
- Retirement
- Death of a pet
- Loss of a cherished dream
- A loved one's serious illness
- Loss of a friendship
- Loss of safety after a trauma
- Selling the family home

Even subtle losses in life can trigger a sense of grief. For example, you might grieve after moving away from home, graduating from college, or changing jobs. Whatever your loss, it's personal to you, so don't feel ashamed about how you feel, or believe that it's somehow only appropriate to grieve for certain things. If the person, animal, relationship, or situation was significant to you, it's normal to grieve the loss you're experiencing.

Please join us at the Chalet Lodge on the last Tuesday of each month.

### **Gordon Waindubence**

Will be coming to the community on July 19<sup>th</sup>, 2019 to come talk about Clan Naming & Teachings which will be held at the Lodge.

- The Creator placed Anishinabe on the Mother Earth.
- The Four Elements: Fire, Water, Earth, Wind. They were given to the Anishinabek to take care of.
- The 7-pointed star: represents the sacred gifts—the Seven Grandfather Teachings— which are the foundations that were given to us by the Creator. These are our laws.
- Sovereignty: the Creator gave us sovereignty to man, woman and child to look after ourselves and Mother Earth.
  - The Anishinabek also respect and honour the Past, Present, and the Future.
- The Big Circle: we are one family—this is our family; every one of us is in this circle. We all belong to a clan and we all have a responsibility. This is what our house looks like.

If any Band Member would like to sign up and take part, please call Lauren Michelle at the Band Office 807-887-2510

## Community Volunteer Income Tax Program (CVITP)

The CVITP is a collaboration between community organizations and the Canada Revenue Agency (CRA).

Community organizations host FREE tax preparation clinics and arrange for volunteers to prepare returns for individuals with a modest income and a simple tax situation. The CRA provides coordinators to guide the organizations as they deliver the program and offers training and tax software for the volunteers.

The CVITP helps people meet their tax obligations and receive any benefits to which they are entitled. Benefits are calculated based on the information a taxpayer provides on their return. Even if the taxpayer has no income to report, they should file a return to continue receiving payments, such as;

- GST/HST credit
- Guaranteed income supplement (GIS)
- Working income tax benefit (WITB)
- Canada child tax benefit (CCTB) (if the taxpayer has a spouse or common-law partner, they also have to file a return every year)
- Provincial or territorial credits and benefits

The CVITP volunteers **cannot** prepare returns for individuals who:

- have self-employment income
- have business or rental income and expenses
- have capital gains or losses
- have employment expenses
- file for bankruptcy
- are deceased in the year

The Red Rock Indian Band will be hosting a CVITP clinic **beginning April 3, 2017.**

The Free CVITP clinic hours are:

12 noon to 1pm and 4 – 6 pm, Monday to Friday

Tax Returns can be sent by EFile to Canada Revenue Agency

Please call the band office for an appointment at 887-2510

The clinic is open to Red Rock Indian Band members and Lake Helen community members.
